

- Does bidding feel like a minefield to you?
- Are you confused about how to put a bid response together?
- Are you looking for tips on how to best prepare bid answers or how to be better organised when facing the next bid?

If you have answered yes to any of these questions, then this 1 day bootcamp is for you. The day is specifically designed for companies bidding for opportunities in the nuclear and defence sectors. It is compiled by bidding experts who have helped clients secure new business.

**Planned Syllabus:** this 1 day course will take you through the following bid process, so you can leave with the ability to better tackle your next bid.

## Testimonial

MM Creative Solutions provided us with an excellent quality, flexible bid production service supporting the bid management and bid writing. MM Creative Solutions also provided high calibre editorial and graphics support at short notice, at a competitive price. We can definitely recommend the service and will continue to use MM Creative Solutions to support bid strategy, development and production.

Confidential Engineering Consultancy Client.
