

- Are you a new business owner who's unsure of how to network / seek out business?
- Or are you an existing business owner who wants some fresh ideas to land new contracts / clients?

Our business support group programme is specifically designed for business owners to help them win business. The 3 month programme includes:

- ✓ **1 x monthly group webinar on a topic useful for winning business e.g. networking, online presence or submitting a quote.**
- ✓ **1 x individual 30 minutes call per month; a chance to privately ask questions or discuss a business issue.**
- ✓ **1 x monthly group call (60 minutes)**
- ✓ **A private online group where members can ask questions, gaining further support.**

Plus at the end of the programme each group member can book an individual 30 minute call to seek further advice.

To maximise the effectiveness of the group, the group size will be limited to 10 participants.
